21 ¹ Under 28 U.S.C. §2253(c)(2), a COA may issue "only if the
22 applicant has made a substantial showing of the denial of a
23 constitutional right." The Supreme Court has held that, to obtain a
24 Certificate of Appealability under §2253(c), a habeas petitioner must
25 show that "reasonable jurists could debate whether (or, for that
26 matter, agree that) the petition should have been resolved in a
27 different manner or that the issues presented were 'adequate to
28 deserve encouragement to proceed further'." Slack v. McDaniel, 529
U.S. 473, 483-84, 120 S.Ct. 1595 (2000)(internal quotation marks
omitted); see also Miller-El v. Cockrell, 537 U.S. 322, 336, 123 S.Ct.
1029 (2003). After review of Petitioner's contentions herein, this
Court concludes that Petitioner has not made a substantial showing of
the denial of a constitutional right, as is required to support the
issuance of a COA.
